## WELL DONE BUSINESS IN BLOOM WINNERS

Business is blooming in Leeds as the winners of 2007 Business in Bloom competition shows.

The winners and runners-up have been chosen by a panel of judges made up of volunteers with assistance from Leeds City Council's, Parks and Countryside service

This competition encourages the business sector of the community, to complement the Council's displays, by decorating their own premises with floral displays. The competition which is free to enter, is held every spring and summer.

**Chair of the Leeds Floral Initiative Councillor Frank Robinson** said:

"As usual, the horticultural standard has been exceptional, despite the cool wet summer and over 172 businesses entered. It is a privilege to present these awards to recognise such significant contributions from the business community."

Marks are awarded based on a variety of factors including : floral display, originality, variety and amount of colour, use of containers, maintenance and condition of plants, and their impact on the locality

This year's winners are :
